WELCOME TO THETIS ISLAND

Welcome to Thetis Island—a peaceful, rural community known for its natural beauty, quiet roads, sheltered waters, and relaxed island pace. With no town center or large commercial areas, Thetis offers visitors a chance to slow down, explore, and enjoy the character of a small Gulf Island community.

The island is home to approximately 500 permanent residents, and many local services and community activities are supported by volunteers. Visitors are asked to enjoy the island respectfully and to be mindful of its limited resources.

We invite you to discover the local businesses, accommodations, outdoor activities, and amenities found throughout the island, and to share in the beauty and tranquility that make Thetis such a special place.

SOLID WASTE MANAGEMENT ON THETIS ISLAND

Solid waste collection operates on a pay-per-bag basis and is open during the hours posted at the gate. The service is intended for regular household waste and cannot accommodate construction or renovation debris.

Longer-term visitors are encouraged to reduce, reuse, and recycle wherever possible to help keep waste volumes to a minimum. Short-term visitors may find it more convenient to take their solid waste with them when they leave the island.

There is no recycling drop-off facility on Thetis Island.

Thank you for doing your part.

Telegraph Harbour is a place for Thetis Island to gather. Jaime, Jen and family want to keep it that way. Pull up a chair on the lawn, catch some live music, share a meal under the pavilion, and if you have an idea for a gathering, a potluck, a concert, or celebration, bring it to us. We would love to help you support our community together: pizza, ice cream, dinners, movie nights, feature nights. All are welcome, any season. telegraphharbour.com

DIAL 9-1-1 IN AN EMERGENCY

Thetis Island is part of the North Island 9-1-1 system and our Fire Department responds to fire and medical emergencies. If you have an emergency, dial 9-1-1, specify the type of emergency - police, fire or ambulance. Give the Lot number (as in the Thetis Island Phone Book or posted at the driveway, or the home owners' or B&B name), and tell the dispatcher that you are on Thetis Island.

As elsewhere, when driving please pull over to allow emergency vehicles to pass, and when walking, keep to the left side of the road, facing any on-coming cars. And of course, obey all traffic control persons at emergency scenes (an imminent ferry is not an excuse!)

Fire permits are required from Apr. 1 to Oct. 31 unless changed by order of the Fire Chief, and this includes campfires. Level of forest fire risk and restriction status is displayed on the "Fire Board" at the Thetis ferry terminal, and on-line at www.thetisislandfire.ca. Please check this rating regularly during your stay on the island, but also be aware that drought and fire risk is ALWAYS high - please be careful. During High & Extreme Fire Danger, campfires will be prohibited except CSA approved propane campfire appliances that are supervised. Yard waste fires are also regulated by the Ministry of Environment: in addition to a Fire Permit, you must check the Venting Index for an allowable day to vent smoke into our air shed.

To apply for a fire permit, or for more information regarding Thetis Island fire regulations and contact numbers, visit online at www.thetisislandfire.ca. If you have no internet, you can call the Duty Officer at 250-252-0228.
